# CAVE COURONNE

Like in the ancient „Wirthschafft zur Cronen“ 1669 – distracting moments in historic walls - delightful and entertaining, shall it be.

Within a groupe, with your family or business excursion you can enjoy the historical introduction, - wine school and tastings as well as aperitifs or celebrate into the night like in the former centuries the knights. This mystic cellar can be booked up to 40 persons.

## ARCHEOLOGY – HISTORY - OENOLOGY

An archeological and historical introduction of the crown cellar 1669 welcomes the visitor in its mystic atmosphere and prepares the step forward into today's oenology of the Vully wine region.

Let us take you to the surprising work of the regional wine makers and enjoy the different wine sorts with regional meat cuts, cheeses and vegetables. All this with interesting and educational inputs about our wine region.

Choose between tastings of 3 or 5 wines of our regional Vully wine producers.

All tastings are served with COURTYARDwater and winemaker bread produced in the oldtown.

SET PRICES PER PERSON FROM 20 UP TO 100 CHF
